B. ACCESSIBILITY COMMITMENT

STORY Hospitality Group's headquarters and operational offices are designed to be inclusive and accessible for all employees, partners, and visitors. Our commitment to accessibility extends across all aspects of our workplace environment to ensure comfort, safety, and equal opportunity for all.

C. OFFICE ENVIRONMENT ACCESSIBILITY

Entrance and Reception

- The entrance to the STORY Hospitality headquarters is fully **wheelchair accessible**, with automatic doors and spacious pathways for ease of entry.
- The reception area is equipped with **accessible counters** and seating arrangements for those with mobility challenges.

Common Areas

- All common areas, including meeting rooms and break areas, are designed with a flat, obstacle-free layout that accommodates individuals with mobility aids.

- **Accessible bathrooms** are strategically placed throughout the office, ensuring easy access for all employees and visitors.

Workspaces and Accessible Meeting Rooms

- Our meeting rooms are equipped with adjustable desks, **accessible seating**, and multimedia technology to facilitate collaborative work.
- The offices are fitted with wide pathways and elevators to ensure seamless movement between floors.

D. TRANSPORTATION AND LOCATION ACCESSIBILITY

Proximity to Public Transport

- The STORY Hospitality Group's office is located near major transportation hubs to ensure convenient access for employees and visitors. Public transit options include buses and trains that have provisions for individuals with disabilities.

Parking and Drop-Off Points

- Dedicated **accessible parking** spaces are available close to the office entrance, making it easier for employees and guests with special needs to access the building.

E. Training and Awareness

- We conduct regular training sessions for employees on inclusive practices and creating a welcoming environment for individuals with diverse needs.

F. ACCESSIBILITY FEATURES IN OFFICE DESIGN

Office Facilities

The design of the STORY Hospitality Group's office includes accessible facilities such as:

- **Accessible Elevators:** Large enough to accommodate wheelchairs and mobility devices.
- **Reception Areas:** Lowered counters for easy interaction with all individuals, including those in wheelchairs.

G. POSITIVE SUSTAINABILITY AND ACCESSIBILITY SYNERGY

As part of its commitment to innovation, STORY Hospitality Group incorporates sustainable practices that support accessible accommodation:

- **Green and Accessible Infrastructure:** Managing buildings with eco-friendly materials that also include features for individuals with mobility challenges, such as ramps, wide non-slip pathways, and **accessible bathrooms**.
- **Biophilic Design Elements:** Integrating plants and natural elements that improve air quality and promote well-being for all, particularly those with sensory sensitivities, and aligning with **hotel accessibility**.

H. FUTURE ACCESSIBILITY PLANS

STORY Hospitality Group continues to enhance its approach to accessibility through:

- **Feedback Mechanisms:** Regular surveys and feedback channels to learn about areas that require improvement.
- **Continuous Upgrades:** Commitment to adopting the latest accessibility standards and technology.

I. CONCLUSION

STORY Hospitality Group is dedicated to fostering an inclusive environment where everyone—employees, partners, and visitors—feels welcomed and valued. By adhering to the highest accessibility standards, we aim to ensure that our environment is inclusive, adaptable, and innovative, going beyond only a place of work but a space where all can thrive.
